PAOTECH FZCO

Distribution Patch Cord

Optical fiber Compliant with
ITU-T G.657.A1/A2 Standard
Available in LC, SC, and FC Connector Types
With 8 and 4 Connectors on each end of the Cable
With PVC or LSZH Outer Jacket
Suitable Bending Radius
Customizable
Customizable Connector Type and Quantity on
both Terminal ends of the Cable

Splitter:

Optical Fiber Compliant with ITU-T G.657.A1/A2 Standard

Low Insertion Loss

High Reliability

High Channel Count

Wide Wavelength Range

Wide Operating Temperature Range

Customizable Channel Count, Fiber Type, Input/Output Fiber Length, Input/Output Connector Type, Input/Output Cable Type

Available in three Types: Rackmount, Compact, and General, in both Outdoor and Indoor Versions

Pigtail:

Optical Fiber Compliant with
ITU-T G.657.A1/A2 Standard

Available in LC-LSZH
and FC Connector Types

With PVC or LSZH Outer Jacket

Low Insertion loss in the
Connector and Optical Fiber

Suitable Bending Radius

Customizable Cable Length
